THE HIGHLIGHT OF SECOND TERM'S ACTIVITIES

THE COLLEGE MANAGEMENT AWARDED SIX STUDENTS WITH ACADEMIC SCHOLARSHIP DURING THE TC GENIUS GRADING PROGRAMME

In a continuous stride of recognizing and strengthening academic excellence among the student populace, the College management awarded six TAIDOB students who distinguished themselves academically during the periodic academic grading exercise in the course of the term with an academic scholarship. Among these celebrated TC genius were Olufemi-Shodiya Ebunoluwa of JS1, Somide Oluwadarasimi of JS 2, Sojobi Openipo of JS 3, Enrinoso-Adekunle Fumilola of SS1, Ojedele Oluwatomiwa of SS2 and Ajiboye Oluwaseun of SS3,

THE DRIVE FOR HERITAGE EDUCATION REINFORCED DURING TAIDOB STUDENTS' VISIT TO THE PALACE OF ALAKE OF EGBALAND

A group of TAIDOB College learners on Tuesday 16th of March 2022 went on an Educational field trip to visit the palace of Alake and paramount ruler of Egba land, HRM Oba (Dr.) Adedotun Aremu Gbadebo, Okukenu IV. This visit is considered expedient, necessary to further expose and acquaint our students to the rich art, culture and tradition of the Egba dynasty beyond the theoretical heritage lessons being taught in classes. The learners after a highly engaging session with Kabiyesi and His chiefs were left satisfied with the level of attention and answers they got to all their explorative questions.

TAIDOB COLLEGE LEARNERS SHINE AT THE 1ST BROAD CONCEPT ENTREPRENEURSHIP HUB EXHIBITION

It was indeed a beautiful ambience to behold as the learners of TAIDOB College pulled off a stunning exhibition to the delight of all parents and other well-wishers that were present during the exhibition program organized by Broad Concept International and Entrepreneurship Hub (A member of TAIDOB College) on the 19th March, 2022 at the college premises.

The exhibitionists in the various units such as Photography, Cosmetology, Graphics & Web-designs, Robotics & Artificial Intelligence, Catering & Confectionaries, Fashion design as well as leather works etc. made an excellent show of their impeccable skills and artistry to the delight of everyone present at the occasion. The parents/guardians present lauded the initiative of the management on her commendable stride towards promoting not just the conventional education, but also skill acquisition required to become industry leaders in their chosen craft.

NURTURING MATHEMATICS GENIUS VIA MATHEMATICS CLINIC & MATHEMATICS ALERT

Over the past two years, the college management by way of policy have been bridging the gap in STEM education through the mathematics Clinic initiative similar to an intervention class, but which placed emphasis on the knowledge and application of Mathematics. The responses by the learners to the initiative has been encouraging and tutors in the Department of Mathematics and Computer of the college have been extolled to be doing well in this regard as they have resolved to take a step further in grouping students according to their different areas of challenges in some mathematics topics and concepts to help them improve the subject.

Kindly note that financial clearance issuance is premised on confirmation of full payment.

IMPORTANT NOTIFICATIONS

1. RESULTS CHECKING

This is to inform all parents/guardians that the College Management has made accessible the checking of report sheet via the College website. To do this, kindly follow the under listed procedure:

- Log on to www.taيدobcollege.org

- Click on portals
- Log in with your admission number, it will display your bio data
- Click on report sheet

2. SCHOOL UNIFORM

Parents/guardians are kindly enjoined to replace worn out uniform of their wards as some students have been observed to be using either torn and un-customized school cardigan, sportswear, trouser/skirt and stockings. It is a general maxim that we are addressed the way we dress. To this end, parents/guardians are advised to make their wards wear only the approved uniform. Non-compliance by any student will be frowned at by the school authority during the upcoming term.

3. DEPOSIT OF ITEMS AT THE SECURITY CHECK POINT BY PARENTS

As previously conveyed, we are further reminding parents/guardians that effective from next term, only essential items (such as water and education materials) will be accepted by the college's security men at the security check point and must be between 8:00am to 5:00pm. It should also be noted that provisions and edible items would not be accepted from parents by the college's security men for use of boarding students on an intermittent basis. We therefore enjoin parents/guardians to provide these items in reasonable and sufficient quantities either at the beginning of the term during visiting days or during the half term break.

4. USE OF SECURITY CLEARANCE CARD

The security situation in Nigeria calls for concern. All Parents/guardians are advised to guide, educate, enlighten, sensitize their wards on the need to be security conscious, as nowhere is safe. Hence, the college management wishes to reiterate the compulsory use of the security eheat card for all parents/guardians (Boarding/Day) intending to visit the college at the point of collecting/returning their ward(s) during the visiting days, resumption days and any other statutory event that require their presence in the college. We therefore enjoin all parents to comply with all security guideline issued by the college's security committee.

5. ARBITRARY REQUEST FOR PERMISSION BY PARENTS AFTER EXAMINATION

We wish to inform our Parents that the College Management will no longer accept arbitrary request for Permission by parents to release their wards after School Examinations. This is because students will still be engaged with series of Academic activities even after their Examinations. We therefore implore our parents to please cooperate with the School Management in this regard.

6. NIN REGISTRATION

It is no longer news that the National Identity Number is a prerequisite for UTME (JAMB) registration. In this regard, all students (especially students who are to be registered for the 2022/2023 UTME(JAMB) are to ensure that they are captured for registration at an accredited NIMC center.

7. BROAD CONCEPT INTERNATIONAL AND ENTREPRENEURSHIP HUB

As a member of TAIDOB College, we are committed to producing entrepreneurs of international standard who will constantly add value to the community wherever they find themselves. To this end, training has been on for two terms and all trainees are just few steps away from realizing their entrepreneurial/vocational potentials to the fullest.

However, for a hitch free training programme in the next academic session, parents and guardians are to take note of the following facts:

✚ TOOL KIT

The relevance of having a tool kit to the effective realization of the goal of training cannot be overemphasized. It has been observed that a few students are yet to procure their training kits and this has affected the rate at which they learn as practice they say makes perfection. It is only when a trainee has personal material with which he/she could practice whatever he/she has been taught that learning becomes permanent. We therefore implore all parents to procure the required kits for their wards.

✚ TERMLY TRAINING FEE IN ROBOTICS AND ARTIFICIAL INTELLIGENCE

Students undergoing training in Robotics and Artificial Intelligence are by policy of the institute expected to pay a subsidized termly training fee of N 15,000. This is owing to humongous amount required for setting up and getting professional trainers in the field. It is our interest that any student who subscribes to this programme does not miss out at any point on the account of default to meet the financial commitment. To this end, parents are implored to make payment for their wards' training fee in earnest as only those with evidence of payment will be allowed into the unit.

✚ PRACTICAL BASED EXAM FOR CATERING & CONFECTIONARIES UNIT

Effective from next academic session, students shall start to have termly practical based examination in their respective units as the pre-condition for the award of the institute's certification.

Mode of Payment

Payments for either the training wear, notepad or personal practice tool kit is to be effected into 0606951646 (GTBank) in care of BROAD CONCEPT Int'l & Ent. (With the name of student and the item for which payment is made) through any of the following modes:

Bank deposit

Mobile transfer

Evidence of payment is to be sent to 09053660979 via WhatsApp for confirmation and issuance of receipt.

✚ INTERNATIONAL PROGRAMMES OFFERED AT BROAD CONCEPT

Parents who are interested in foreign education can also take advantage of the following international programmes offered at Broad Concept for their wards.

- International University Foundation Programme (IUFP)
- International English Language Testing System (IELTS)
- Scholastic Assessment Test (SAT)
- Test of English as a Foreign Language (TOEFL)

Further details in respect to this can be obtained from the Administrative office of the Hub or through the telephone line 08118370486.

8. ILLICIT ACTS ON SOCIAL MEDIA

It has been observed that students are engaging in illicit affairs via the social media platforms on the mobile phones made available to them by their parents. In order to curb this, the Management is advising parents to withdraw access to all forms of communication gadgets at home. Any student found on any of the social media e.g. Facebook, twitter, WhatsApp, 2go etc. will be seriously dealt with. Parents are advised to ensure strict compliance in respect to this.

9. BED SPREAD

The usage of customized bedspread is now compulsory for all boarding students. The College has made provision for this and parents are enjoined to purchase for their children, as no students will be allowed to use non-customized bedspreads as from next session.

10. WITHDRAWAL OF WARD FROM THE COLLEGE

In as much as we cannot dictate to any parent on his/her choice to withdraw his/her ward from the College, we strongly frown at arbitrary withdrawal of students from the College as it adversely affects our plans and programs against a new term or session.

In view of this, parents/guardians wishing to withdraw their children/wards from the College must forward a term's notice (three months) in writing to the Management. A penal fee of N15, 000.00 per student is to be paid in lieu of notice in the event of default. Parent/guardians whose wards are in their terminal classes (JSS3 and SS3) should note that this information also applies to them.

11. CHANGE OF WARDS FROM DAY TO BOARDING AND VICE-VERSA

This is to remind all Parents/Guardians that students who are registered as day or boarding students are not allowed to change their status until the end of the session. This is to allow for effective planning and implementation.

However, any Parent/guardian, who in the course of the session, has to change his/her ward(s) status especially from Boarding to Day Students will still have to continue to pay his/her ward's School fees as boarding till the end of the session. Please be informed.

12. BARBING IN THE HOSTEL

It has come to the notice of the College Management that students in the hostel are not having their hair cut regularly thus making them have a bushy hair. Consequently, the College Management has approved for every parent to come with clipper on visiting days for his or her child/children to have their haircut.

Note: All students should barb a uniformly low cut hairstyle as other form of hairstyles will not be allowed by the College Management.

13. PHONE AND WHATSAPP NUMBERS

Parents who are not receiving text messages or WhatsApp broadcasts of the College are advised to forward their correct phone and WhatsApp numbers to this PRO's line 08133959245 and ensure that they save the line on their phone for the receipt of our regular WhatsApp broadcast.

14. DECENTRALISATION OF ADMINISTRATIVE ISSUES/ADMINISTRATIVE OFFICE WORKING HOURS
